

Micropanno SANIPLUS

woven non-woven in microfibre

Category: Textiles

The **SANIPLUS** microfibre cloth is a **non-woven fabric** made with the finest microfibres available on the market, in the size **45 x 35 cm**.

Its 100% microfibre composition ensures excellent capillary action and strong cleaning power. Tough and wash-resistant.

SANIPLUS is an essential component of effective cleaning management.

Its weight and dimensions strike the right balance to ensure extensive, widespread use, with stock levels aligned to the real needs of healthcare environments. **SANIPLUS** contains silver ions, which help control bacterial proliferation.

Base composition

Microfiber
